

Welcome to Trail Ridge Men's Golf Club of Sun City West!

I know you will enjoy the golf course and the fellowship of playing with our members. As you are a new member, I look forward to meeting you soon.

How to get a tee time, find your weekly tee time, locate the tee sheet, review last weeks results and other club news?

Club information can be found on our club website. <https://trmensgolf.scwclubs.com/> Bookmark or Save to your favorites.

The most used tab on the home page is "**Weekly News**". This is where you find the weekly tee sheets, last weeks results, course conditions, weekly Monitor newsletter and more! I highly recommend all members to visit the website each week.

We play different games each week. The game schedule is posted on our website. The required weekly \$3 "sweeps" fee is collected with your green fee at the clubhouse. Those funds are used to pay our weekly winners in different flights.

A weekly \$2 monitor fee (cash) is required and payable to your team "Captain" on the dates you play. The team "Captain" is responsible to collect the monitor fees, assures accuracy of the scorecard, signs the scorecard and register players for next weeks play.

Signing up for the Wednesday club play can be accomplished by contacting the Monitor via email or using the club email: trmensgolf@gmail.com. A sign-up sheet is included in each captain pouch for the next weeks game. Example: signing up on January 27th for play on February 3rd.

Your Monitor contact is: Christine Grau trmchristine11@gmail.com

If you need to sign up for an upcoming Wednesday game, send a email message to Christine to request a tee time. When signing up via email, please include: Rec Card Number, Preferred Tees and Starting time.

If you need to cancel for any reason; **it is your responsibility** to send an email message to Christine notifying her of your cancellation well in advance. Late cancellations are required to pay the canceled date \$2 monitor fee on your next day of play.

General information on our website includes a summary of the Local Rules, a list of all club officers and board members, weekly game calendar and the weekly Monitor newsletter. You will find a weekly tee member assigned tee times and starting hole. During the winter months, we use a crossover or double tee arrangement (groups start on #1 and #10) to accommodate all who wish to participate that day. We rarely have "shotgun" starts.

Please feel free to contact myself or any of your board members for information, inquiries or comments.

Our club email address of: trmensgolf@gmail.com. This email is used to communicate Club group messages, your inquiries, comments and suggestions as well as last minute weather cancellations.

Thank you for joining our club and Welcome!

Rich Coon
President
